

University of Life Sciences "King Mihai I" from Timisoara

Organizes on **21-22 November 2024**, **the International Scientific Symposium dedicated to bachelor, master, PhD students and young researchers**

"Young people and multidisciplinary research in applied life sciences"

The aim of the event is to create a stimulating framework for the presentation of research results, interaction, exchange of ideas and experiences between participants.

The symposium has the following sections:

- ✚ Trends in european agriculture development (<https://www.rjas.ro/>)
- ✚ Horticulture, Forestry and Biotechnology (<https://jhfb.ro/index.php/jhfb>)
- ✚ Managemnt of sustainable rural development (<https://lsma.ro>)
- ✚ Animal breeding and pathology today (<https://www.usab-tm.ro/ro/revista-47-volume-de-lucrari-stiintifice-10682>)
- ✚ Animal Science and Biotechnology (<https://www.usab-tm.ro/ro/revista-56>)
- ✚ Food Chemistry, Engineering & Technology (<https://journal-of-agroalimentary.ro/>)

The symposium papers will be published in journals indexed in international databases. The best papers in each section will be awarded prizes.

Full papers must be submitted on each section's website by **8.11.2024**. The maximum number of authors for a paper is 5, of which a maximum of 2 coordinating teachers.

We are looking forward to seeing you!
